

Reclaim the NHS *take back what was ours*

We are a south east London health campaign for a publicly funded, publicly provided and publicly owned system of health and social care.

NHS End privatisation and all outsourcing within the NHS including to private hospitals.

NHS End corporate takeover of GP practices, give us back our GPs and face to face appointments as the norm.

NHS End PFI contracts and cancel PFI debts.

NHS Increase the capacity of the health care system – of staff, beds, and equipment.

NHS Introduce a National Care Service – publicly owned, publicly provided and publicly funded.

NHS We need a massive increase in training places for all health and care staff together with national, union-negotiated pay and conditions.

SUPPORT THE NHS NURSES, DOCTORS, CLEANERS AND PORTERS!
